## True Foods – Maryborough District Health Service Charity Golf Day

### GOLF HOLE SPONSORSHIP - \$1000

The True Foods Maryborough District Health Service (MDHS) Charity Golf Day is again aiming to raise funds to support Maryborough District Health Service.

The funds raised this year will fund the works for the establishment of critical women's health service in the x-ray department of MDHS.

Over previous years, MDHS is proud to have partnered with sponsors and players to establish the health in motion van, and last year purchasing the critical anaesthetic machine for the Operating Theatre.

In 2018 we are implementing new elements to ensure this event is one that you want to continue to be part of and look forward to each year.

In partnership with the Maryborough Golf Club we are planning a special event the night prior to the Golf Day with the 'White Night' event of a Feast on the Fairway. This evening will include a four course meal and entertainment provided in the very special setting of the 10th fairway of the Golf Club. Tickets enquiries to the Maryborough Golf Club 5460 4900.

The 2017 MDHS Charity Golf Day was a great success, raising \$35,000 thanks to the magnificent support of local and national businesses.

The organising committee this year have also considered the format of the event. Some tweaking has occurred to assist with flow of the round and results overall. We will inform you of these changes at the briefing on the morning of the event.

Your sponsorship and support of the MDHS Charity Golf Day ensures the health service can continue to provide safe, quality and efficient services to the local community within the local community is gratefully appreciated.

I hope to see you at this year's event and thank you for your consideration.

Regards
