

Wig Library

MDHS Wellness Centre Wig Library

Losing your hair as a result of cancer treatment can be very challenging, and many people find that a well-fitting wig can provide a greater sense of self-confidence during this time.

If you are currently experiencing hair loss or thinning as a result of cancer treatment you may like to take the opportunity to be fitted with a synthetic wig. The Cancer Resource Nurse will help you choose a wig, fit it correctly and provide advice on wig maintenance and care. You are welcome to bring someone with you for support. The wig library requires a deposit of \$50 to hire a wig. The \$50 will be refunded when the wig is returned.

You can also purchase a wig stand, hair brush, shampoo and conditioner for \$15.

Appointments

To make an appointment or to receive more information, please call the Cancer Resource Nurse, Sue Bartlett, on (03) 54610418 or email sbartlett@mdhs.vic.gov.au

Appointments can be made with Sue Bartlett at a mutually agreed time.
Please be aware Sue Bartlett works 5 days per fortnight

Enquiries from clients, family and friends are always welcome.

The Maryborough District Health Service wig library is located at the Wellness Centre, Clarendon St Maryborough.

Talk to Sue

Whilst you are talking to Sue, ask her about the head scarves, beanies and cotton caps that are also available.
